### # Theme and Message of the mural

Theme	Environment, Friendship and Culture
Message	To develop cultural awareness and to appreciate the cultural traditions of others

### # Effects and the Problems

Effects your students have gained	Points for further improvement
Students had a deeper understanding of the culture and traditions of their own and they are also more aware of the culture of their partner from Japan.	No time to finish mural during art lessons. We had to meet after school to complete the project.

### # Have you made your activity open in your school or in your local area? How was their reaction or reputation?

PR you did inside/out of your school	Reaction/reputation from around
We informed the school of our exchange programme through our Art lessons and Assembly Talk to the whole school.	Teachers and students were very happy to be given the opportunity to work on this meaningful project.

## # Flow of the Activity

Content	Month	What you did	Your students attitude/reflection	Subject
Introduction	Sep	Introduce the project. Explain the objectives and showed murals created previous years	Students were very keen to participate in the project.	social
Research	Oct	By using internet, students look for images and information at home.	Students divided the research work among themselves and work cooperatively	social IT
Composition	Nov	Exchange respective ideas on the mural and decided the design together in our group and corresponded this to partners.	Students were very excited to share their research findings with each other.	social IT
Painting	Jan	Students make sketches of their ideas which they later transferred onto the canvas. Painting was done after school.	It was tedious at first but after the second session, students enjoyed themselves painting their ideas on the canvas.	fine art
Appreciation	Feb	We shared the mural with the whole school during our Assembly Talk.	It was a proud moment when everybody was impressed with the work, All our hardwork paid off!	fine art
