

Economic Development and Environment
Destruction

**Let's think about
eco-friendly economic
together!**

Hiroka Tanaka Akane Fujita Sora Yamashita

There are
many countries
and
problems in
the world.

Environment
problems

Economic development

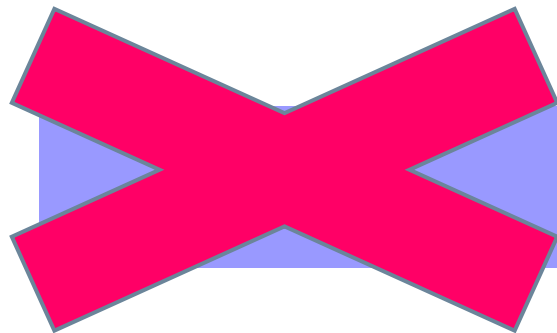

No Economic Development

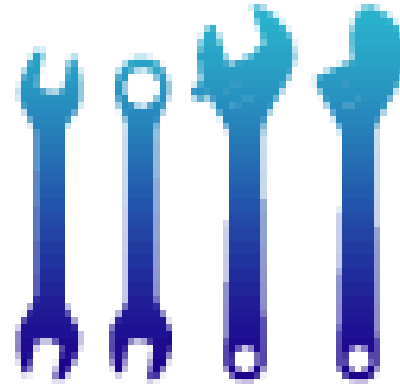

Not well Educated

No Basic Knowledge

Wrong Action

knowledge

techniques

SEND MESSAGES

For example . . .

MUSIC

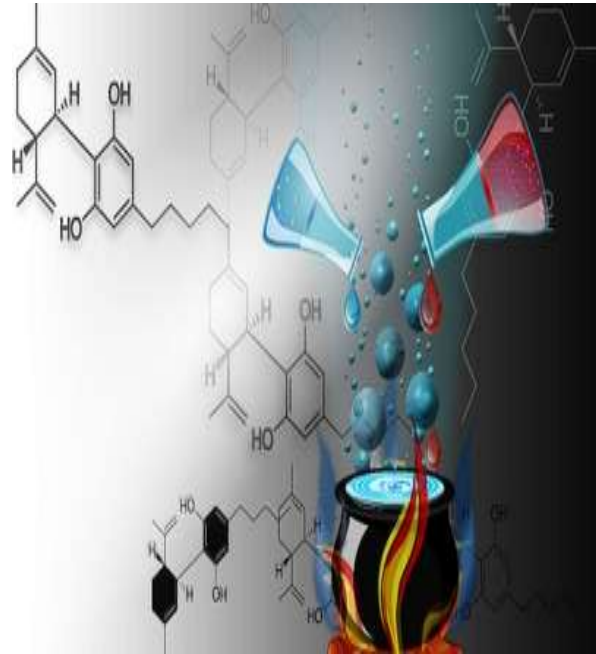

FASHION

This opportunity will be...

Medical
treatment

GualaDrake

science

Do you know
East Japan
quake?

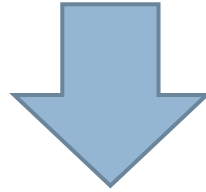

Why ? ?

Eco-friendly Economy

Be one and work together!

International cooperation

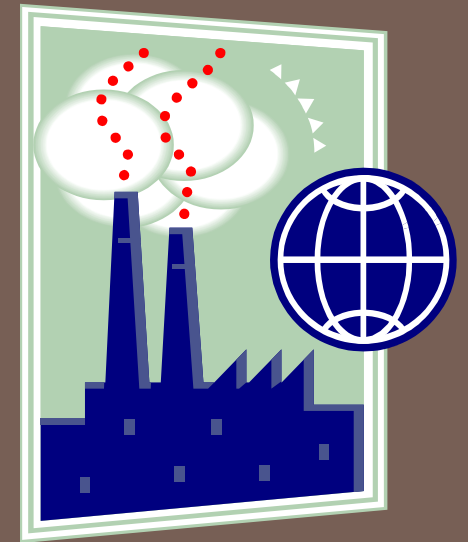

Japan's messages

Do you know “The Big Four Pollution Diseases” in Japan?

- MINAMATA
- ITAI-ITAI
- Yokkaichi

MINAMATA DISEASE-2

ITAI-ITAI DISEASE

YOKKAICHI ASTHMA

What can we get???

RICH

Why are there more than 190 nations in the world??

We think ■■■■

Nations respect each other
to solve problems!!

But . . . now . . .

differences

wars

**Let 's think together
what the world
should be ! ! !**

**Thanks you
for listening!**
