### # Effects and the Problems

Effects your students have gained	Points for further improvement
<p>The students get to know more and more about Japanese culture. They spent lots of time to do the research. At the same time, they knew more about our own Chinese culture and its unique.</p> <p>We together shared about the people, the season, the festivals and etc.</p>	<p>When we started to paint the mural, we were a little worried to have any mistake on it. But finally we did a good job.</p>

### # How has your impression toward your partner's country/region and the world changed?

Changes in the students	Changes in the teachers
<p>Students make friends abroad, they broaden eyes to see the beautiful world and learn to communicate with each other.</p>	<p>During the project, the teacher have a brand new teaching experience. It's different from the experience in the classroom. The teacher guides the students to do the search about the culture by themselves.</p>
